- Objective** To pursue a career as a web developer in which I can apply my knowledge of programming, while contributing to the company and growing my skills as the business flourishes.
- Education** •**Deep Dive Coding Bootcamp**, Albuquerque, NM
Certificate of Completion, graduated December 2014.
- Skills** •Programming Languages: PHP5, HTML5, CSS3, JavaScript, jQuery, and AJAX
•Programming tools: Git and GitHub
•Code Editor: PHPStorm
•Operating Systems: Mac OS X, Windows(all versions)
•Relational Database System: MySQL
•Web Server: Apache
•Excellent Communication skills, both written and oral.
- Projects** •Capstone Project: developed an ecommerce site with a team that sold tickets to events in New Mexico
•Personal Website: developed a personal website using bootstrap.
- Work Experience** •**Delivery Driver**, Brickyard Pizza, Albuquerque, NM (May 2013 - Present)
 ▫ Managed the logistics of working with the back of house and the customers in a timely and proficient manner.
 ▫ Exemplified ability to solve problems and issues as they occurred.
 ▫ Maintained a great rapport with the customers
•**Installer**, Adobe Bungalow, Albuquerque, NM (October 2011 - March 2013)
 ▫ Installed furniture for clients while paying attention to detail.
 ▫ Managed warehouse area including inventory organization
